

In less than five months, the International Society of Hypertension (ISH) will meet in Seoul, Korea to enjoy great science at the 2016 ISH Scientific Meeting (Hypertension Seoul 2016).

It is not too late to submit your abstract and for the chance to receive a travel grant.

Late breaking abstract submissions are open and close on 31 July.

Please make every effort to join us in Seoul and encourage your Society colleagues to do so too.

- *Still a chance to receive travel grants!*
- **Early bird registration (deadline 31 May)**
- Reduced registration rates for ISH members
- **Group registration rates (for over 15 people)**
- Reduced registration for those under the age of 35

Save the date: ISH Forum meeting

Tuesday 27 September, from 12.30 -14:00 hrs

The International Forum of the ISH is a consultative forum, the mandate of which is to establish effective liaison between the ISH and National and Regional Societies of Hypertension or Councils of High Blood Pressure. It also provides a unique infrastructure and platform for networking and 'cross-talk' between Societies. Email secretariat@ish-world.com for more information.

Regional Challenges Sessions **Sunday 25 September**

Regional Challenges in Hypertension Management sessions will take place at the Seoul 2016 meeting for (1) Africa (2) East Asia (3) Eastern Europe (4) Latin America (5) Middle East and South Asia and (6) South East Asia. We are sure that these will be of great interest to our Forum members and very much hope

that you and your colleagues will be able to participate.

New Investigator Networking Event

Tuesday 27 September

ISH New Investigator Committee Networking and Mentorship events are a perfect opportunity for new investigators (PhD students, post-docs or clinical research fellows) to mingle with peers, develop networking opportunities and collaborations with established investigators. Email secretariat@ish-world.com for more information.

Call for ISH Award nominations

ISH, with the collaboration and generous support of sponsors, is pleased to announce the following awards. In addition to the prestige and kudos associated with each of the awards, they each comprise a significant monetary amount to recognise the excellence of the awardees and support the intended purposes of the specific awards.
