ISH 2027 Shanghai Oct 28-31

International Society of Hypertension

Chinese Hypertension League

Date: 28-31 October, 2027 (Thursday - Sunday)
Venue: Shanghai Zhangjiang Science Hall

WELCOME MESSAGE

Dear Colleagues and Friends,

On behalf of the Organising Committee, it is our great honour and privilege to invite you to attend the 32nd Scientific Meeting of the International Society of Hypertension (ISH 2027), held in conjunction with the Chinese Hypertension Meeting 2027 (CHM 2027) and the 29th International Symposium on Hypertension and Related Diseases. The congress will take place from 28–31 October 2027 in Shanghai, China.

At the heart of this congress lies the theme, "**Innovations for Improving Blood Pressure Control.**" Innovation is not merely a theme—it is the engine that drives better detection, smarter treatment, and more equitable care. In an era of rapid technological and biomedical advances, translating novel ideas into real-world solutions is essential if we are to close the global gap in hypertension awareness, treatment, and control.

We sincerely hope you will join us in Shanghai for ISH 2027. We are confident that the stimulating academic exchange, combined with the city's unique dynamism, will make this an unforgettable experience for all participants.

We look forward to welcoming you to Shanghai from 28–31 October 2027.

Co-Chairs:

Kazuomi Kario
President, ISH (2026-2028)
Japan

Jiguang Wang
President, CHL
China

George Stergiou
Immediate Past President, ISH (2024-2026)
Greece
