Friday, June 16

Saturday, June 17

Sunday, June 18

Monday, June 19

Hall	Session Title	Session Type
13:30 - 17:30		
Yellow Hall 2	LARGE ARTERY ASSESSMENT: FROM THEORY TO PRACTICE	Teaching Course
		Add to my Diary
	Introduction	
13:30	Why is it important to measure arterial properties	Add to my Diary
	P. Cunha (Guimaraes, PORTUGAL)	
14:00	Measurement of carotid to femoral pulse wave velocity and central pressure with the support of Atcor Medical	
14:45	Measurement of carotid distensibility and IMT and FMD? with the support of Sonoscape Europe	
15:30	Innovative techniques with the support of Axelife	
	Summary	
16:30	What to do with measurements?	Add to my Diary
	P. Boutouyrie (Paris, FRANCE)	
17:00	Conclusions	
Brown Hall	BLOOD PRESSURE MONITORING TEACHING COURSE - THEORY AND PRACTICE	Teaching Course with the collaboration of ESH Working Group on Blood Pressure Monitoring and Cardiovascular Variability
		Add to my Diary
13:30	Introduction	Add to my Diary
	G.S. Stergiou (Athens, GREECE)	
	G. Parati (Milan, ITALY)	
	P. Palatini (Padua, ITALY)	
13:45	Office blood pressure measurement	Add to my Diary
	. Faculty TBD ()	
		Add to my Diary
	R. Asmar (Paris, FRANCE)	
14:15	Ambulatory blood pressure monitoring	Add to my Diary

E. O'Brien (Dublin, IRELAND)

[Add to my Diary](#)

. Faculty TBD ()

14:45

Home blood pressure monitoring[Add to my Diary](#)

. Faculty TBD ()

[Add to my Diary](#)

A. Mihailidou (Sydney, AUSTRALIA)

15:15

Ambulatory versus home blood pressure[Add to my Diary](#)

G.S. Stergiou (Athens, GREECE)

[Add to my Diary](#)

J. Wang (Shanghai, CHINA)

15:45

Cuff use[Add to my Diary](#)

P. Palatini (Padua, ITALY)

[Add to my Diary](#)

A. de la Sierra (Barcelona, SPAIN)

16:15

White coat and masked hypertension[Add to my Diary](#)

G.A. Head (Melbourne, AUSTRALIA)

[Add to my Diary](#)

G. Mancia (Milan, ITALY)

16:45

Blood pressure variability[Add to my Diary](#)

G. Parati (Milan, ITALY)

[Add to my Diary](#)

K. Kario (Tochigi, JAPAN)

17:15

Conclusions[Add to my Diary](#)

G.S. Stergiou (Athens, GREECE)

G. Parati (Milan, ITALY)

P. Palatini (Padua, ITALY)

14:00 - 15:30

Red Hall 2

SESSION 1: FROM CASES TO GUIDELINES-WHERE WE ARE AND WHAT SHALL WE DO

Joint Session ESH/CHL (Chinese Hypertension League)

[Add to my Diary](#)

14:00

Management of hypertension in young and middle aged patient: unmet need[Add to my Diary](#)

J. Liu (Beijing, CHINA)

14:20

Effectiveness of PTRAs treatment in atherosclerotic renal arterial stenosis in Chinese patients[Add to my Diary](#)

X. Jiang (Beijing, CHINA)

14:40

Should guidelines include genetic testing?[Add to my Diary](#)

A.F. Dominiczak (Glasgow, UNITED KINGDOM)

15:00

Implications of SPRINT results for hypertension management in Asia[Add to my Diary](#)

V.S. Ram (Hyderabad, INDIA)

15:20

Discussion

14:30 - 16:00

Blue Hall

CLINICAL SIGNIFICANCE OF BP PATTERNS WITHIN THE 24 HOURS

Joint Session ESH/JSH (Japanese Society of Hypertension)

[Add to my Diary](#)

14:30	Nocturnal blood pressure K. Asayama (Tokyo, JAPAN)	Add to my Diary
14:50	Blood pressure variability S. Hoshide (Tochigi, JAPAN)	Add to my Diary
15:10	Central ambulatory blood pressure T. Weber (Wels, AUSTRIA)	Add to my Diary
15:30	Debate Clinical significance of morning blood pressure rise - Pro K. Kario (Tochigi, JAPAN) - Contro . Faculty TBD	Add to my Diary
Yellow Hall 1	EAST MEETS WEST: REGIONAL DIFFERENCES IN THE MANAGEMENT OF HYPERTENSION	Joint Session ESH/KSH (Korean Society of Hypertension)
14:30 - 14:50	Cost-Effectiveness of SPRINT in Korean population H.-Y. Lee (Seoul, SOUTH KOREA)	Add to my Diary
14:50	Redefining office blood pressure measurement in the post SPRINT era B. Jelakovic (Zagreb, CROATIA)	Add to my Diary
15:10	Optimal BP targets in hypertension and multiple cardiovascular risk factors S. Park (Seoul, SOUTH KOREA)	Add to my Diary
15:30	How should the SPRINT guideline apply to future European guidelines? P. Van De Borne (Brussels, BELGIUM)	Add to my Diary
15:50	Discussion	

15:00 - 17:00

Red Hall 1	OBESITY AND LIPIDS	Joint Session ESH/EAS (European Atherosclerosis Society) in cooperation with WG of obesity, diabetes and the high risk patient
15:00	Obesity induced hypertension in the youth S. Stabouli (Thessaloniki, GREECE)	Add to my Diary
15:18	Obesity and sudden cardiac death G. Grassi (Milan, ITALY)	Add to my Diary
15:36	Obesity and Early Vascular Ageing P.M. Nilsson (Malmö, SWEDEN)	Add to my Diary
15:54	Obesity and atrial fibrillation A. Tselepis (Ioannina, GREECE)	Add to my Diary
16:12	Lipids in obese patients S.L. Tokgözoğlu (Ankara, TURKEY)	Add to my Diary
16:30	Treatment of lipids disorders in obesity A.L. Catapano (ITALY)	Add to my Diary
16:48	Discussion and conclusions V. Kotsis (Thessaloniki, GREECE)	Add to my Diary

15:30 - 17:30

Red Hall 2	SESSION 2: TARGET ORGAN DAMAGE: TRADITIONAL	Joint Session ESH/CHL (Chinese
-------------------	--	---------------------------------------

MEDICINE AND MODERN TECHNIQUE

Hypertension League)

[Add to my Diary](#)

15:30	Treat masked hypertension with Chinese traditional medicine Y. Li (Shanghai, CHINA)	Add to my Diary
15:50	Application of speckle tracking technique in hypertensive heart disease T. Xu (Shanghai, CHINA)	Add to my Diary
16:10	RAAS and cardiovascular damage: what's new? T. Unger (Maastricht, THE NETHERLANDS)	Add to my Diary
16:30	Similarities and differences in diabetic/non diabetic kidney damage J. Menne (Hannover, GERMANY)	Add to my Diary
16:50	Discussion	
17:00	Panel Discussion	

16:00 - 17:30

Yellow Hall 1	NON-HEMODYNAMIC DETERMINANTS OF ARTERIAL STIFFNESS DURING AGEING	Joint Session ESH/ISVH (International Society of Vascular Health)
		Add to my Diary
16:00	Role of calcifications and inflammation on arterial stiffness M. Bäck (Stockholm, SWEDEN)	Add to my Diary
16:20	Relations between aortic inflammation and PWV in older subjects L. Joly (Nancy, FRANCE)	Add to my Diary
16:40	Effect of sarcopenic obesity on arterial stiffness F. Fantin (Verona, ITALY)	Add to my Diary
17:00	Telomeres a bio-determinant of arterial ageing A. Benetos (Nancy, FRANCE)	Add to my Diary
17:20	Discussion	
Yellow Hall 3	SYMPOSIUM BALKAN EXCELLENCE CENTRES	Balkanian Symposium
		Add to my Diary
16:00	Particulate matter, air pollution and hypertension C. Grassos (Athens, GREECE)	Add to my Diary
16:10	Hypertension in pregnancy Z. Dika (Zagreb, CROATIA)	Add to my Diary
16:20	Greek pilot study on emergency hypertension D. Konstantinidis (Athens)	Add to my Diary
16:30	Echocardiographic methods for assessing patients with prehypertension K. Hristova (Sofia, BULGARIA)	Add to my Diary
16:40	Is the QTc dispersion a prognostic marker in patients with arterial hypertension? D. Djordjevic (Nis, SERBIA)	Add to my Diary
16:50	Cardiac alterations in hypertension A. Pittaras (Athens, GREECE)	Add to my Diary
17:00	Bosnian experience of arterial stiffness values S. Sokolovic (Sarajevo, BOSNIA AND HERZEGOVINA)	Add to my Diary
17:10	Discussion	

17:30 - 18:30

Silver

OPENING OF THE CONGRESS

Opening of the Congress

[Add to my Diary](#)

19:30 - 21:00

Yellow Hall 1

YOUNG INVESTIGATOR SYMPOSIUM

Session

[Add to my Diary](#)

19:30

Sleep disorders and hypertension: beyond obstructive sleep apnoea[Add to my Diary](#)

R.M. Bruno (Pisa, ITALY)

19:50

Genetic aspects of arterial ageing: insights from the Twins UK Cohort[Add to my Diary](#)

M. Cecelja (London, UNITED KINGDOM)

20:10

Perivascular fat and vascular reactivity in obesity and hypertension[Add to my Diary](#)

C. Agabiti Rosei (Brescia, ITALY)

20:30

Drug adherence in hypertension: from clinical trials to daily practice[Add to my Diary](#)

I. Hamdidouche (Paris, FRANCE)

20:50

Final Discussion

Yellow Hall 2

SCIENTIFIC MEETING OF THE ESH WORKING GROUP ON HYPERTENSION AND THE KIDNEY

Working Group

[Add to my Diary](#)

19:30

European consensus on Hypertension in Dialysis[Add to my Diary](#)

P. Sarafidis (Thessaloniki, GREECE)

20:00

Fibromuscular dysplasia: recent advances and update on the European FMD initiative[Add to my Diary](#)

A. Persu (Brussels, BELGIUM)

20:30

Renal risk for hypertensive patients: can BOLD MRI be useful?[Add to my Diary](#)

M. Pruijm (Lausanne, SWITZERLAND)

[Print](#)[Back](#)
